

Temporary Emergency Shelter As-Needed Staff

All hands-on deck!

Preble Street is seeking experienced **temporary As- Needed** Shelter Support Staff to provide onsite support to clients at our temporary emergency 24-hour shelter, that has been established as a cross-collaborative effort between the State of Maine and community providers to provide short-term housing to individuals who are experiencing homelessness. The shelter will include a section for clients that have tested positive for COVID-19 and/or need to quarantine.

Functioning as part of a team, the As-Needed staff will conduct brief needs assessments to clients during their transitional stay at the shelter. As-Needed staff will also be monitoring and assessing safety and performing general housekeeping tasks under the direction of the shelter leadership.

All shelter employees will receive Personal Protective Equipment (PPE).

The regular pay for this opportunity is \$15.38/hr. During this critical time, however, Preble Street is paying time and a half for all hours worked in shelter, food, and coverage programming. Overnight shifts are awake shifts with an additional \$2 differential.

As Needed staff work **up to 28 hours** a week.

If you can be part of this community solution and have positive regard for individuals experiencing homelessness, **let's talk!**
