

# CITY OF PORTLAND HOMELESS SERVICES CENTER (HSC)

The City's emergency adult shelter is a warm, safe, and comfortable space to go when you are in need of a place to stay. Access to all wrap-around services, including housing assistance, are provided on-site.

Being homeless is awful. Living in a tent is awful. Then I came to the HSC and found hope with the help of amazing staff at the HSC. Very glad I went to the HSC. Moving into my apartment in November. - Adam C
