# Preble Street Teen Services is honored to be the 2024 Beach to Beacon Nonprofit beneficiary!

The mission of Preble Street is to provide accessible barrier-free services to empower people experiencing problems with homelessness, housing, hunger, and poverty, and to advocate for solutions to these problems.

To break the cycle of homelessness, youth and young adults need an integrated system of care and safety. Preble Street Teen Services provides low-barrier access to shelter, food, basic needs, casework, mental health supports, education and employment services, and a variety of housing options for youth experiencing homelessness. Our team is proud to work alongside young people who are the experts of their own experiences and to support them toward their goals of independence, stability, and safety.

**More than 350 young people  
across Maine receive support  
from Preble Street Teen Services  
each year. By sponsoring the  
Preble Street Teen Services Beach  
to Beacon team, you can make a  
real impact in the lives of these  
youth and ending homelessness  
in Maine!**
