Social Work Program: Elena’s Way Wellness Shelter
Reporting Period: Quarter 2 (October 1 – December 31, 2025)
Program Director: Henry Myer

Program Overview:

Elena’s Way, a Preble Street Wellness Shelter, is a 24-hour, service-inclusive, and trauma-informed emergency shelter for individuals experiencing homelessness that is grounded in social work and medical best practices. A Wellness Shelter provides a therapeutic environment for those accessing services to heal, rest, and stabilize as they connect with trained social work staff to pursue casework goals related to housing, healthcare, employment, and community integration.

Elena’s Way is intentionally built to serve the needs of individuals experiencing unsheltered homelessness, individuals unable to access other shelter services, and individuals who are otherwise extremely vulnerable should they be unsheltered.
